

Welcome to Spring Term

Year 6

Welcome back, we hope you had a lovely holiday and have been able to spend lots of quality time with family and friends! After a very busy autumn term, throughout which the children worked incredibly hard, we now begin to look towards SAT's and prepare the children so they feel secure and confident when taking these papers in May.

Homework will continue to be sent home on Fridays. Although you are probably very familiar with the format by now, just a reminder, that the children should now be writing extended sentences for each of their spelling as well as completing their comprehensions. Please check your child's work each week and encourage them to complete it neatly and return it on time, we really appreciate your support in this.

Could I ask that your child reads regularly at home and continues to practise their times tables. This will really help them move forward with their learning, support our work with them in school and enable them to work with confidence in the tests in May.

Mrs Illingworth will continue to teach the class on Thursday mornings and Miss Mather on Friday afternoons.

P.E kit should be in school at all times in a named draw string bag and our PE lessons will take place on Monday and Thursdays.

Our topic this half term is called Heroes and Villains. Please refer to the curriculum overview on the website for further information.

If you have any further queries, please do not hesitate to contact me in school via the office.

Mrs Stainton
