Head Teacher Introduction

Alison Dodd thanked The Friends for their contribution to school life and the various efforts over the Christmas period and is looking forward to working together. Thank you to those that decorated the school hall and the tree. Lauren Natalie L and Zoe had met up with the Head earlier in the week for a quick review of plans for the coming year. We would like to thank Mrs Dodd for her support and some great ideas she has given us for fundraising.

Treasurers report.

As of December 2022 there is £17710 in the bank plus £517 raised over Christmas with Nativity and sing a long Tea and coffee, Map trail and raffle. Hopefully getting closer to improving the KS2 playground.

Review of Christmas Activities

A huge Thank you to Lorraine Davis for providing both raffle prizes at the Nativity and to the various friends that helped over Christmas.

The Friends organised for Father Christmas to visit all the children and we also provided a selection box to each child.

Christmas card company. We are considering other options for next Christmas, maybe try other companies as there were a few issues and we are still chasing up commission owed.

Plans to get our own portable contactless machine. The borrowed one proved very successful.
