Other highlights included Year 4 children taking part in a morning of Dodgeball, excellent first fire drill of the year, Year 5 children receiving Playleader training and Meet the Teacher across the school where it was great to see parents back in school.

Vacancy

We are still on the lookout for a welfare assistant to join our lunchtime staff. Either full time or part-time to supervise the children over the lunchtime. For more details, please pop into the school office.

We require a volunteer reader for Year 5 class, this would be 1 hour per week, please see Mr Carter for more details.

Healthy school

If it is your child's birthday, we like to celebrate them in school, but we don't allow the giving out of sweets or cakes for their birthday. A lot of parents buy a book for the class instead to commemorate their birthday. Many thanks.

Nut allergy

We have a number of children who have severe nut allergies and as such we are a nut free school. Please could we ask that NO food comes into school that contains nuts. This includes some chocolate spreads.

Packed Lunches

Some parents have asked for some guidance about what to pop in a lunch box:

- Sandwiches
- Fruit (sometimes easier if pre-cut in a sealable tub)
- Yoghurts / jelly (please don't forget your spoon if a tub)
- Crisps
- Tub of salad / pasta
- 1 piece of chocolate
- Drink (we are going to start looking at reducing our plastic use, so we recommend a reusable drinks bottle)
- In the colder months some children like to bring a flask of soup or pasta

We don't allow fizzy drinks or sweets.

We presume that the children will like what is in their packed lunches and encourage them to eat them – especially the sandwiches!!

COVID-19 - reporting positive cases

Please continue to let us know of any positive cases with your children. The email to use is still: positivetest@stpetersheysham.lancs.sch.uk

We still have several PCR home test kits in school for any child who displays symptoms if you need any, please just ask.
