Flourishing together

Worship Themes next week:

Christian Value Bible verse	'Do to others as you would have them do to you' Luke 6:31
Christian Value Worships / Mission statement	Mental World Health Day and How can I grow my confidence in school to be able to flourish
Other worship themes	Story: Children's TV channel CBeebies has hired George Webster as its first ever presenter with Down's syndrome. The 20-year-old, from Leeds, is an actor, dancer and ambassador for the disability charity, Mencap. Question: What does a good role model look like?

World Mental Health Day 2021

The COVID 19 pandemic has further highlighted the effects of inequality on health outcomes and no nation, however rich, has been fully prepared for this. The pandemic has and will continue to affect people, of all ages, in many ways: through infection and illness, sometimes resulting in death bringing bereavement to surviving family members; through the economic impact, with job losses and continued job insecurity; and with the physical distancing that can lead to social isolation.

The 2021 World Mental Health Day campaign '**Mental Health in an Unequal World**' will enable us to focus on the issues that perpetuate mental health inequality locally and globally. As a school on Monday, classes will complete age related activities around 'mental health'

Following on from World Mental Health Day on Sunday, our Learning Mentors, Mrs Holmes and Mrs Wainwright will be holding drop-in sessions on Monday 11th October between 9 and 10 am. This is a chance for parents to come into school to discuss any issues or worries they have about their children, particularly after Covid-19.

"I have come in order that you might have life, life in all its fullness," John 10:10

If you would like to take advantage of this opportunity, please email learningmentor@stpetersheysham.lancs.sch.uk to book a place. Spaces are limited and are on a first come, first served basis. Booking is essential.

MacMillan Coffee Morning

A huge thank you to all our families who donated cakes and/or came to support us on our coffee morning this year. We raised a whopping **£568.43!** THANK YOU, x

COVID-19 - reporting positive cases

We will now let you know if there is a positive case in your child's class. Just to confirm - this will not trigger a PCR test as a recommendation. This only happens if we hit our first threshold on our contingency plan. All our COVID paperwork is available on the website.

Please continue to let us know of any positive cases with your children. The email to use is still: positivetest@stpetersheysham.lancs.sch.uk

We still have several PCR home test kits in school for any child who displays symptoms if you need any, please just ask.

Morrison's Let's Grow

FREE gardening equipment for your school

For every £10 you spend (in store or online) at Morrisons, you'll get a Grow Token to help your school get everything they need to get growing. Download the MyMorrisons app today to start collecting Grow Tokens. You can then donate them to our school by selecting the school's name. A big thank you to one of our parents for registering us.

We will then be able to exchange our Grow Tokens for FREE gardening equipment to get

our kids growing.
