## The COVID-19 roadmap

### Drop off

Just a reminder that gates now open at 8.40 and close at **8.50am** to get back to our original school day start time of 8.50am. Being on time really helps the busy office staff but more importantly means that the children are in class ready to start their lessons at 8.55am after registration. Thank you.

### Pick up

From this Monday, **May 17<sup>th</sup>** all the children will be outside from 3.10pm with their class teacher and will let them go to you when they see you. Gates will open at 3.10pm and entry will be slightly staggered to allow a steady flow of parents. Skylarks will be in the Early Years area, Sanderlings will be along the EY fence, Oystercatchers and Eiderducks will be outside their fire doors. Year 4,5,6 will be on

**'AS PART OF GOD'S FAMILY, WE AIM HIGH, ENJOY AND ACHIEVE'**

the top playground and Year 3 will be the last on the route by their fire door. We will continue to monitor this new system and alter if it doesn't work!! To enable us to do this safely:

- One adult only to pick up (who is on the pick-up list)
- Please allow the child to come to you and maintain a distance from the other children and staff member. Cones will be out as a reminder where needed. This is also important for safeguarding reasons.
- Wearing of face covering if you are not exempt. (School are aware of those who are exempt and will not challenge you on this. We encourage you to have visible on your person your exemption card/lanyard so that parents don't challenge you).
- Adhere to 1m plus social distancing with all adults/other families
- Pick up child (ren) and continue walking out of school on the one-way system - I know its hard but please move on as soon as you can without gathering with other families.
- We appreciate that this may be the first time in a while you will be seeing your class teacher – please only approach if really urgent.

## Scouts

For over a hundred years, West Lancs Scouts has helped children and young people develop skills for life and supported them to develop as responsible and active members of their community. The last year has been incredibly challenging for us all, but particularly young people. We believe we can offer children a change for more green time and less screen time. By getting young people outdoors and taking part in hundreds of different activities we want to support a generation of young people with their mental health and wellbeing. We offer something for everybody, for young people aged from 5 ¾ to 18yrs as Beavers, Cubs, Scouts and eventually Explorer Scouts and it's not just for boys - more than 1/4 of our youth membership is female.

Scouting is affordable and we want every young person to have the chance to benefit from what we have on offer. Please see attached flyer for further details.

## Vacancies

We have two Vacancies within School.
