## Newsletter 21.5.21

This has been an emotional week for our community. Our thoughts and prayers are with all those families and their friends affected at this time especially the family of George Hinds. We pray for his parents, Vicki and Steve and his Nana Jan. God bless little man. We will continue to support and pray for those families affected as long as is needed. Donations still accepted until half term. Thank you for the support you are showing this week. Be thankful for your families, your loved ones and your friends. Please give them all an extra hug this weekend.

## The COVID-19 roadmap

### Drop off

Lessons are now starting at 8.55am and so some children are coming into lessons, worship, catch up programmes slightly late and missing the beginning. We still have several children who arrive after the gates have been locked at 8.50am. Just as a heads up, a few of these children walk themselves to school in UKS2.

### Pick up

This is working well – thank you. Pick up time is 3.10-3.15pm each day. Thank you.

## Sports Day

The road ahead in this area is still very unsettled. Due to the sheer number of parents that come and watch our annual event we have had to rethink ahead of the dates. This year we will be having two separate sports day mornings just for the children. This will allow the children to experience their sports day and we will be able to operate in bubbles safely. We cannot predict after 21st June currently. If anything does change then we will be in contact nearer the time.

We will look at each event separately.
