Flourishing \dagger Together

'I have come that you may have life, life in all its fullness' John 10:10

Friday message

We hope you have all had a lovely week. We have lifted some measures within school this week. Due to the decrease in numbers we can go back to whole school worships and staff now have the choice of wearing masks in school. This will also be for visitors in school, and we will not ask for confirmation of a negative LFD test result. Obviously, we step forward with caution!

Big Bird Watch

In 2021, more than one million people took part in Big Garden Birdwatch, all coming together to look out for birds. Why not join in and be one in a million for 2022?

Shockingly, we've lost 38 million birds from UK skies in the last 50 years, so it really is vital we do all we can to look after our birdlife.

As a conservation charity, we depend on your support to save nature and to look after places where wildlife can thrive. By taking part in Big Garden Birdwatch, you can also make a difference.

Wherever you are, whatever you see, it counts!

Why not take part in the RSPB Big Garden Birdwatch this weekend? Pick one hour between 28th and 30th

January and count how many of each species of bird land on your patch. Then go online at www.rspb.org.uk to let them know how you got on. If you require any further information, then please go to rspb.org.uk/birdwatch

We would love to see any photos or copies of your checklists to display in school. Please email them to bursar@stpetersheysham.lancs.sch.uk and these will be forwarded to Mrs Daly, our science lead.

Happy twitching!

World Multi-Cultural Week and Luna New Year

Children will be taking part in a variety of activities to embrace diversity of our many cultures around the world and celebrating the Chinese Luna New Year. On Friday the children can come in non-uniform if they choose to but with a colour theme of **red, yellow, green/ blue**. No football tops please. These colours are considered auspicious according to the Chinese and are derived from the Chinese Five Elements Theory, in which red

represents 'fire', yellow denotes 'earth', green or blue signifies 'wood', white symbolises 'metal', and black indicates 'water'. We have a dance workshop planned early in the week for all children.

New staff

We wish Miss Hayton all the best for the later stages of her pregnancy. I am sure we shall be seeing Miss Hayton in school before her baby arrives to shower her with gifts and best wishes!! Miss Caitlin Peace starts with us next week as Sanderling Class Teacher.

We will also be welcoming our new Site Supervisor Mr Graham Wood next week. Graham is local to Heysham so you may recognise his friendly, familiar face around the school grounds.

We hope both Miss Peace and Mr Wood settle in well as they join the St. Peter's family.

Poppy Appeal

Many thanks to all who supported the Poppy Appeal in November last year. Together, we raised an amazing £441.78! The Royal British Legion extend their heartfelt thanks

Scouts 4 Week Challenge

Please see the attached poster if you are interested in trialling as a volunteer for Scouts...
