## Flourishing Together

*'I have come that you may have life, life in all its fullness' John 10:10*

### Friday message

What a glorious week topped with lovely sunshine. Our Sports Day was amazing! Well done to all our children, not just our winners. We saw resilience, fun, sportsmanship, bumped bottoms, sweaty brows and determination throughout the morning. A huge thank you also to all our wonderful parents and families who made this a memorable occasion – thank you. I will try and get the photos on early next week for you on FB. Next week we see our Year 5 children out at Lakeside – we wish you an amazing time and fingers crossed for good weather!

Mrs Wainwright has been a true asset to our staff team and will be greatly missed not just by Oystercatcher class but by us all. Thank you for everything you have done for our children. It has been a pleasure working alongside you. Thank you and good luck.

We are currently advertising for this post – all details are on the Lancashire website. We have also secured an amazing HLTA to join our team from September. Mrs McGirl will be teaching across the school covering PPA and management time. We hope she will be very happy here at St. Peter's.

## Parking

Just a polite reminder about parking considerately around school on drop offs and picks up. It has been a lot better of late, so thank you. Please note that we have parking permits available in the school office so that you can park in the car park near the cricket club free of charge. This covers the mornings and after school sessions. A big thank you to our council who allow us to park here for free during term time.
