Flourishing Together

'I have come that you may have life, life in all its fullness' John 10:10

Friday message

Another busy week here at St. Peter's. Year 5 children took part in an amazing singing session with Emma as part of "Music in Me". The children sounded wonderful – I have put one song on Facebook they sang. Looking forward to next week – we wish our Year 6 children the very best of luck during their SATs week.

Worship themes next week

Our Christian Value this half term is Trust

School Times

Please could I remind a few parents that school starts at **8.50am**. The number of children going into class once lessons have already started is increasing. 5 minutes late every day is 25 minutes missed learning per week. Our amazing office staff do

"I have come in order that you might have life, life in all its fullness," John 10:10

greet your children with a smile and ensure their lunch is ordered as we know this is not their fault as to why they are late. The knock-on effect for altering lunch choices etc on the system takes unnecessary admin time. School also finishes at **3.15pm** and this will be when children leave their class. Many thanks in advance.

Jubilee Week

As the Queen's Platinum Jubilee draws closer, we wanted to share with you some of the activities that we will be enjoying in school as we celebrate Jubilee Week from 23rd – 27th May.

Each class has been assigned a decade of the Queen's reign to research and find out what key events took place.

Year 6 – 1950s, Year 5 – 1970s, Year 4 – 1960s, Year 3 – 1980s, Eider Ducks – 1990s, Oystercatchers - 2000s, Sanderlings - 2010s and Skylarks - 2020 – present day.

If you have any memorabilia from the Queen's 70-year reign or souvenirs from previous Jubilee celebrations and wouldn't mind loaning them to be shared in school, we would be very grateful. These can be dropped off at the school office or brought in by your child(ren). Many thanks.

On Friday 27th May, children are welcome to come dressed in red, white and/or blue as our Jubilee Week comes to a close. Fingers crossed for great weather so that our street party lunch can be held outside. Parents/carers/family members are welcome to come and join our assembly outside where each class will share a little snippet of their

Jubilee week as well as singing the special Jubilee song that they have been learning. We will close with the National Anthem.

Again, this will be held in the playground if the weather is kind!

In the event of inclement weather, we will have to move into the hall, but unfortunately this means that we will have to limit the number of visitors we can welcome on a first come, first served basis.

The Friends are also holding a cake stall on Friday 27th May afternoon and any donations are welcome into school from Thursday 26th May. More information will follow.

We are also planning some crafty competitions and an opportunity to share some regal creations, but more information will follow.

Foundation Governors

We are still looking for two new foundation Governors to join our Governing Body. A great time to start building on our recent SIAMs inspection. If you would like to know more please speak to one of our current foundation governors or catch me for a chat.

Volunteer helpers

We currently have volunteer helpers for 3 classes. These are parents that come in one afternoon / morning / hour a week to hear readers, help change library books etc. We would love to have one per class so if you are interested then please let us know.

Dates for the Diary

You will find these on the school website for the summer term. These will be added to during the term.

Wishing you a fantastic week.
