Sanderling Class Worship

During these COVID times we have invited parents via zoom to share in their child's class worship. We have found that the acoustics have not been brilliant for you to really hear the children so Sanderling Class have made their class worship into a video. Their worship is based on our current Christian Value of Trust. The children in school will get to enjoy it on Tuesday when we shall also share it with you on FaceBook. It's fantastic!! Well done Sanderling Class.

Worship Themes next week:

Christian Value Worships	Trust - Knowing Jesus is with us in stormy times. Jesus calming the Storm (Mark 4:35-41)
Key Stage worship and Class worship	Should all schools have libraries?

Year 4 Multiplication Test

Times Tables Rockstars has had a massive impact to the children's tables knowledge and recall speed. As a result of this we have decided to take part in the Multiplication Tables Test in June with the Year 4 children. It is optional this year.

A booklet explaining this in more detail has been sent home with the Year 4 children today.
