Headteacher Mrs N. Gomersall BA (Hons) QTS

26th November 2021

Dear Parents/Carers

As you are aware, we now have 25% of Year 5 pupils that have tested positive for COVID-19 along with 1 staff member. This afternoon I have been on a call with Dr Sakthi Karunanithi and he and his team are in agreement to put the following in place next week, to try and break the spread of cases.

Our Year 5 class will be taught on-line with as many children as possible being required to stay at home for the full week. This is to try and stop the spread of COVID-19, keeping the numbers as low as possible not only in Year 5 but throughout the School.

If it is not possible to keep your child at home and undertake online learning, please contact the school office as soon as possible to discuss further options.

Please note this will be classed as a partial closure for Year 5 children only. Siblings of any Year 5 children are still required to attend School unless they are displaying any COVID-19 symptoms or have tested positive on their daily lateral flow test.

We have been asked that you continue to daily lateral flow your child and get a PCR as soon as possible if they have a positive result or start to display symptoms.

Yours sincerely,

Nicola Gomersall
Headteacher
