3rd October 9:30am

12th October 1:30pm

Please contact the school office to make an appointment.

## Contact/Address changes

Have any contact numbers or address details changed? Please contact the school office . Thank you

## Nut Allergy

Please could we request that no nuts are brought into school or any items containing nut products. We have children who are allergic. Thank you

## Introduction to our Kitchen staff.

Jacqui and her team would like to welcome you to St Peters School.

If your child has any dietary requirements please come and speak to Jacqui, she can accommodate any requirements. she is available every morning just come and knock on the kitchen door.

Jacqui also has the weekly menu on her kitchen door.

## Earrings

A polite reminder to all families that earrings are NOT PERMITTED in school time. If children should forget to take them out and arrive at school wearing them, staff will:-

- Ask them to take them out (put safe to take home)
- If children cannot manage to take them out, parents will receive a text reminder to ensure earrings are removed for the next day.
- Provision for keeping the child safe will be made by covering up the earrings with hypo allergic tape (no child will be excluded from PE or playtime for wearing earrings that day)
- If the child's ears struggle to heal, spacers may be worn temporarily while the ears heal fully. This is not a replacement for earrings as a long term solution.

Please refer to the school prospectus on the website, for further information.

## **Fox Fouling**

We are currently experiencing a large amount of fox “poo” on both the grass areas and tarmac playgrounds. This is happening on a daily basis, causing an additional health and safety risk. The site is checked daily and all deposits are cleaned up BUT can you help us? Environmental health advice is to continue monitoring/clearing but ensure that the foxes are not being encouraged to come to the school site and surrounding area by people feeding them. There is nothing else we can do. To help us. Help keep your children and your school clean—PLEASE DO NOT FEED THE FOXES!! We thank you for your help whilst still enjoying the local wildlife.

Sunday 10<sup>th</sup> September, 9:15 am

All Age Launch & New  
Ambassador's Welcome at St  
James' Centre

We will be explaining what we will be offering this year for young families: Sunday Services, our new contemporary service and our rebooted traditional service, the cool changes to Parent Praise and Sunbeams. We will be introducing our new Ambassadors and revealing what their chosen charities will be for the year.

## **School Website**

We are currently experiencing significant difficulties in uploading information onto our website. We would be grateful for your patience as we work closely with TechHub (our IT consultants) to resolve these issues. Thank you Mrs Price.

## **Email Communication**

Please let the school office know if you do not receive our e-mail communication—it appears that some items have ended up in “junk boxes”!

## **Information from Friends**

A huge thank you to everyone for supporting last years events. Your generosity has enabled us to purchase new library and home reader books, 3 large outdoor tables/benches for the environment area and provide all the inflatables for the fund day at the end of the Summer term. We are planning another fun packed year of events and hope you will come along and support us.
