

Train to Teach at This School

Our school is a key partner of **Ripley ITT**, a school-centred teacher training provider (SCITT)

We are recruiting trainee Primary teachers for September 2021. We have a **full time** course and also a **part time** course which will enable you to continue to earn while you train.

This highly successful teacher training programme, graded **Outstanding** by Ofsted, is designed and delivered by primary school leaders in Lancashire. Our vision is to develop outstanding teachers with the skills and knowledge needed by our schools now and in the future.
