

## Bible and Story links to our School Christian Values

Christian Value	LOVE
<b>LOVE</b>	
<p>LOVE is a variety of feelings, emotions, and attitude. For some love is more than just being interested physically in someone, it's an emotional attachment. Love is more of a feeling that a person feels for another person. ... The basic meaning of <b>love</b> is to feel more than liking towards someone. Unconditional love of a parent to their child cannot be underestimated or undervalued. This love is a special love.</p>
