

Saint Peter's C. of E. Primary School Heysham

Equality Policy 2016

This equality policy outlines the commitment of the staff, pupils and governors of Saint Peter's C. of E. Primary School Heysham to ensure that equality of opportunity is available to all members of the school community.

For our school, this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

Equality Aims and Objectives

Our children will enjoy learning and gaining new knowledge and understanding whilst working together in a caring Christian community. They will be supported, nurtured and cared for which will help them make excellent progress and achieve to the very best of their ability. They will have high expectations and aspirations, be confident when working independently as well as able to work creatively and collaboratively as part of a team. They will celebrate victories and be unafraid of, and learn from, adversity. They will respect one another, be happy and hardworking and relish and rise to challenges that lie before them.

As underpinned by our Mission Statement, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

- At Saint Peter's, the leadership of the school community will demonstrate mutual respect between all members of the school community.
- There is an openness of atmosphere which welcomes everyone to the school.

- All within our school community will challenge any type of discriminatory and/or bullying behaviour, e.g. through unwanted attentions (verbal or physical) and unwelcome or offensive remarks or suggestions.
- All pupils are encouraged to greet visitors to our school with friendliness and respect.
- The displays around the school are of a high quality and reflect diversity across all aspects of equality of opportunity, and are frequently monitored by the School's Equality Lead on a regular basis.
- Provision is made to cater for the spiritual needs of all the children through planning of collective worship, classroom based and externally based activities

To this end, our equality objectives for 2016-17 are up to date, relevant, actioned and published on the school website.

The School in Context

Amongst the teaching staff and governors there are no known disabilities.

The school building is not physically accessible to wheelchair users and people who rely on crutches or walking frames. The computer screen can be adapted for words to be enlarged. The demographic trends in the local area suggest little likely change in our intake.

Monitoring and Review

Saint Peter's Primary School is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We collect and analyse a range of equality information for our pupils/students. A range of data is collected for all pupils and is analysed by ethnicity, disability, gender and free school meals. Data includes: attainment data, attendance data, exclusions, complaints of bullying and harassment and involvement with extended learning opportunities.

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information. As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Attendance

- Exclusions and truancy
- Racism, disability, sexism, homophobia and all forms of bullying
- Parental involvement

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Saint Peter's Primary School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of our community.

The person responsible for the monitoring and evaluation of the policy and action plan at Saint Peter's Primary school is currently the Headteacher.

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions
- Work with the governing body on matters relating to equality
- Support evaluation activities that moderate the impact and success of this policy

Curriculum

At Saint Peter's C. of E. Primary School Heysham, we aim to ensure that:

- Planning reflects our commitment to equality in all subject areas and cross curricular themes promoting positive attitudes to equality and diversity. Examples of this are: our use of music from a range of cultures;
- Pupils will have opportunities to explore concepts and issues relating to identity and equality. These occur particularly through PHSE or Circle Time, through RE and Worship and in Literacy lessons.
- Steps are taken to ensure that all pupils have access to the mainstream curriculum by taking into account their cultural, backgrounds, linguistic needs and learning styles.

- All pupils are encouraged to consider the full range of career opportunities available to them with no discriminatory boundaries placed on them due to their disability, gender, race or sexual orientation (whilst acknowledging that a disability may impose some practical boundaries to some career aspirations)
- All pupils/staff/parents/carers are given support, as appropriate, when they experience discrimination
- We recognise that perpetrators may also be victims and require support.

- Positive role models are used throughout the school to ensure that different groups of pupils can see themselves reflected in the school community
- Emphasis is placed on the value that diversity brings to the school community rather than the challenges.

Staffing and Staff Development

We recognise the need for positive role models and distribution of responsibility among staff.

- This must include pupils' access to a balance of male and female staff at all key stages where possible
- We encourage the career development and aspirations of all school staff
- It is our policy to provide staff with training and development, which will increase awareness of the needs of different groups of pupils
- Access to opportunities for professional development is monitored on equality grounds

Staff Recruitment

- All those involved in recruitment and selection are trained and aware of what they should do to avoid discrimination and ensure equality good practice through the recruitment and selection process
- Equalities policies and practices are covered in all staff inductions
- All temporary staff are made aware of policies and practices
- Employment policy and procedures are reviewed regularly to check conformity with legislation and impact

Note:

Under the Equality Act 2010, in very limited circumstances, an employer can claim that a certain religious denomination or belief is considered to be a genuine occupational requirement of that role. An aided school may be able to rely on this for some roles in school, particular those roles that provide spiritual leadership. However this would not apply for all staff in School.

In addition, there are also instances in which a job will qualify for a genuine occupational qualification on the grounds of gender. However, only in very few instances would this be permissible, for example, where the job is likely to involve physical contact with members of the opposite sex, where matters of decency or privacy are involved.

Partnerships with Parents/Carers/Families and the Wider Community

We will work with parents/carers to help all pupils to achieve their potential.

- All parents/carers are encouraged to participate in the full life of the school.
- Setting up, as part of the schools' commitment to equality and diversity, a group made up of all stakeholders of the school community. This has been/will be developed to support the school with matters related to its equalities duties
- Members of the local community are encouraged to join in school activities
- Exploring the possibility of the school having a role to play in supporting new and settled communities

Roles and Responsibilities

- Our governing body will ensure that the school complies with statutory requirements in respect of this policy and our action plan
- The headteacher is responsible for the implementation of this policy, and will ensure that staff are aware of their responsibilities, that they are given necessary training and support and report progress to the governing body
- The Headteacher has day-to-day responsibility for co-ordinating the implementation of this policy
- Our staff will promote an inclusive and collaborative ethos in the school, challenge inappropriate language and behaviour, respond appropriately to incidents of discrimination and harassment, ensure appropriate support for children with additional needs and maintain a good level of awareness of equalities issues
- All members of the school community have a responsibility to treat each other and staff with respect, to feel valued, and to speak out if they witness or are subject to any inappropriate language or behaviour
- We will take steps to ensure all visitors to the school adhere to our commitment to equality

Annual Review of Progress

Taking this equality approach we will incorporate all requirements into one annual action plan report which meets the requirements of the new legislation.

This policy has a life span of three years and therefore we will review and revise this scheme as part of a three-year cycle.

Equality Impact Assessments

Undertaking equality impact assessments (EIAs) is similar to undertaking health and safety risk assessments. It involves predicting and assessing what the implications of a policy, function or strategy will be on a wide range of people.

EIAs were introduced with the Race Equality Duty and are now also required for both disability and gender. It is also best practice to consider age, religion and belief, and sexual orientation as part of this process.

EIAs are a way in which we can analyse all of our work (this could be a policy, procedure, project, strategy or service) to ensure it meets the needs of all our service users and that no group (in relation to ethnicity, disability, gender, age, religion and belief, and sexual orientation) is disadvantaged or cannot access our services.
