

Welcome to Year 3 Turnstones.

This year, the class will be taught by Mrs.Daly (Monday- Wednesday) and Mrs.Parker (Thursday and Friday). Mrs.Illingworth will teach the class on a Wednesday afternoon and Mrs.Jeffreys is the full time class Teaching Assistant.

We are very excited about the year ahead and all the fun learning opportunities we will have along the way.

Now that your child is a member of KS2, we encourage them to be as independent as possible in their day to day routines. This includes changing their own reading books and taking on more responsibility in the organisation of their belongings. Play time fruit is no longer provided, however, your child can still bring in their own fruit from home.

PE will be on a Tuesday and Thursday afternoon. Please remember to label all your kit and ensure all long hair is tied back. We also ask that the children are sent into school with water (no juice, except for lunch time) in a transparent bottle. On a Tuesday afternoon the whole class will be learning the Ukulele! More details to follow on that one! 😊

Homework will generally be set on a Monday and will consist of spellings, reading and multiplication tables.

Spellings: We will aim to send your child home with 5 new words each week. We ask that not only do they practise spelling the words but that they write each word in a sentence. We will have a spelling quiz on a Friday.

Reading: We encourage you to read with your child as much as possible but a minimum of three times a week. Your child will be provided with a book from the accelerated reader scheme; please could you sign their Reading Record every time your child has read. Your child will also be provided with a library book which will stay in school.

Multiplications: Each week in class we will have a different multiplication focus. However, we ask that you continue to use Times Tables Rock Stars a minimum of three times each week.

We are so excited about the year ahead and can't wait to get to know the children and families of our class of 2021/2022.
