

Hello!

My name is Mrs Parker and I'm so excited about being your teacher in Year 3. We are going to learn lots of new and exciting things and have lots of fun along the way. Moving into KS2 is nothing to worry about! On our first few days together we will do lots of activities so that we can get to know each other. We will also find out about the bird that our class is named after. Can you remember what it's called? That's right, it's the Turnstone. I will teach you every day except a Thursday when you will be taught by Mrs Owens. Mrs Jones will be with you every day.

So, a little bit about me...I have been teaching at St. Peter's for a very long time! I have even taught some of your brothers and sisters! I love teaching in Year 3 and have been the Year 3 teacher at our school for 7 years. I live in Heysham with Mr Parker, my husband, and our two sons Charlie and Freddie. Charlie is 14 and just about to go into Year 10 and Freddie has just left our school to start high school. Some of you might have also seen me walking around the village with our French Bulldog Bruno! I will tell you more about him in September...he's very spoilt!

When I am not working in school, my favourite thing to do is spend time with my lovely family. We enjoy going for long walks or bike rides together but most of my weekends are spent feeling cold and wet as I watch Charlie and Freddie play football and rugby! In the summer they play cricket which I really enjoy because I can get to sit in the sunshine with a cool drink.

I really can't wait to meet you all, I'm looking forward to us all being together in our classroom. It is very important to me that we take care of each other in class, we need to work together as a classroom family and make sure that every day we come into school feeling happy and ready to learn.

I would love for you to write back to me so that I can find out a little bit about you before September.

I hope you have a wonderful summer,

Mrs Parker x
